CONTENTS

Vol. 86, No. 1, June 25, 1965

PAGE

Matsuya, Y. A Serum-free Culture Medium for the Minor Inoculum of L Line Cells 1

Iwatsuki, K., Yusa, T. and **Kataoka, Y.** Effects of Muscle Relaxants on Ventricular Contractile Force in Dogs 9

Koyanagi, T. and **Oikawa, K.** Effect of Riboflavin on the Metabolism of Polyunsaturated Fatty Acids in the Body of Rat 19

Kaito, I. and **Wakui, K.** The Significance of the Determination of Hepatic Enzymes in Various Clinical Conditions 23

Sakai, K. Adrenal Medullary Secretion in Response to Hemorrhage in the Dog 33

Maki, M., Nagayama, M., Sasaki, K. and **Yoneya, T.** A Model of Local Fibrinolysis
(Marked Elevation of Fibrinolytic Activity of Blood Obtained from Vasa Efferentia of the Uterus) 43

Kamiyama, S., Ishiguro, K., Kawakami, Y., Kobayashi, S., Yamada, F. and **Takahashi, E.** Experimental Studies of the Effect of Calcium Deficient Diet on the Development of Cerebrovascular Diseases 51

Tsuchida, S., Kimura, Y., Someno, T. and **Sugawara, H.** Ureteral Activity during Increased Intravesical Pressure 65

Abe, K., Watanabe, N., Kumagai, N., Miwa, I., Mouri, K., Seki, T., Oikawa, A. and **Yoshinaga, K.** Assay of Kininase Activity in Human Blood 77

Matsuya, Y. The Replacement of the Active Compounds in a Serum-free Medium and the Serial Transfer of L Line Cells in It 84

Vol. 86, No. 2, July 25, 1965

Iwatsuki, K., Yusa, T., Kataoka, Y. and **Sato, K.** Experimental and Clinical Studies of Resibufogenin 93

Osato, S. Chemotherapy of Human Carcinoma with Citronellal and Citral and Their Action on Carcinoma Tissue in Its Histological Aspects up to

Healing 102

Kitabatake, T. Radiation Dose Received by X-ray Workers in the Past 148

Yosizawa, Z., Tsutsumi, E. and **Watanabe, M.** Incorporation of Glucose-^{14}C, *in vitro*, into Carbohydrates of Intestinal Mucosae of Sarcoma (Subcutaneous Yoshida-sarcoma)-bearing Rats 160

Maki, T. and **Suzuki, N.** Experimental Formation of Persimmon-bezoar 168

Kaneko, Y. Alteration of Acetylcholinesterase in the Cochlea 178

Ishii, K, Ishii, K. and **Honda, K.** The Effects of Electrical Stimulation of the Carotid Sinus Nerve on Shivering, Blood Pressure and Respiration in Rabbits 191

Vol. 86, No. 3, August 25, 1965

Watanabe, I. Enzyme Histochemical Study of the Motor Nerve Cells in Axonal Reaction 201

Nagayama, M., Maki, M., Kikuchi, I., Kanbe, K., Sasaki, K. and **Sasaki, Ky.** Effect of Estrogens on Blood Clotting and Plasmin Systems 219

Nakamura, K. and **Watanabe, I.** Electron Microscopy of Acid Phosphatase Activities in Subcutaneous Connective Tissue Cells of Rabbit .. 230

Kurobane, T. and **Nagai, K.** Über chronische idiopathische interstitielle Myokarditis 238

Sugiyama, H. and **Kuroyanagi, T.** Absence of Localizing Auto-antibodies in Serum Obtained from Tumor (Yoshida Sarcoma) Bearing Rats and Tumor Resistant Rats 247

Majima, S., Yamaguchi, I., Teshima, T., Karube, K. and **Masuda, H.** On Malignant Change of Gastric Ulcer 255

Suzuki, H. and **Kato, E.** Cortically Induced Presynaptic Inhibition in Cat's Lateral Geniculate Body 277

Kwak, R. Effect of Cortical Stimulation upon Synaptic Transmission in the Lateral Geniculate Body of the Cat 290

Vol. 86, No. 4, September 25, 1965

Arakawa, Ts., Ohara, K., Kakizaki, R., Takahashi, Y., Hirata, K., Fujii, M., Konno, T., Morikawa, T., Chiba, F. and **Chiba, R.** Folic Acid Deficiency in Hemochromatosis: Probably Due to a Defective Storage of Folic Acid in the Liver 301

Yosizawa, Z., Tsutsumi, E. and **Watanabe, M.** Incorporation of Glucose-^{14}C, *in vitro*, into Carbohydrates of Colonic Mucosa of Liver Tumor (3′-Me-DAB-induced Liver Tumor)-bearing Rats 307

Suzuki, A. Azo Dye Method for Demonstration of Leucocyte Acid Phosphatase Activity on Blood Smears 311

Sakka, M. X-ray Induced Shortening of Life Span of Adult *Sarcophaga peregrina* and Its Modification by Dose Fractionation 325

Miwa, I. An Incubation Method for the Estimation of Urinary Kallikrein 334

Chiba, R., Sato, M. and **Arakawa, Ts.** Malabsorption of Vitamin B_{12} in Ariboflavinosis Due to Defective Vitamin B_{12}-binding Power of Gastric Mucosa 341

Majima, S., Yamaguchi, I., Karube, K., Teshima, T. and **Yoshida, K.** A Histopathologic Study on the Origin of Early Carcinoma of the Stomach 348

Demura, H., Fukuchi, S., Takahashi, H. and **Goto, K.** The Vascular Reactivity to Vasoactive Substances and the Electrolyte Contents in Arterial Walls 366

Tsuda, T. Establishment of Two Cell Lines from Syrian Hamster Embryonic Tissue *in vitro* 380

Koyanagi, T. and **Obori, H.** Effect of Pantothenic Acid and Vitamin B_6 on the Excretion of Taurine in the Urine of Rats 394

Sasai, Y. An Adaptation of the Lineweaver-Burk's Graphical Method to the Histochemical System of Phosphorylase in Cantharidin Acantholysis 397
